

British Values Statement

The School aims to serve its community by providing an education and a range of learning experiences of the highest quality; within the context of Christian belief. We encourage an understanding of the meaning and significance of faith. We promote British values and good citizenship. In partnership with the Church of England at Parish and Diocesan Level we teach respect for those of other or no faith. Our pupils will have every opportunity to develop to their full potential and to achieve high academic standards. We believe the children should develop excellent inter personal skills and strong, caring, social and moral values. The school provides a caring, secure and stimulating environment where children will develop creativity, resilience and a joy of learning.
