

English

Fiction – Recount: writing from another character's point of view.

Non Fiction – Instruction Writing.

Science

Sound: explore and identify the way sound is made through vibration and find out how the pitch and volume of sounds can be changed in a variety of ways.

States of Matter: explore a variety of everyday materials and develop descriptions of the states of matter.

Mathematics

Number, place value and money. Mental addition or subtraction. Written addition. Shape. Mental multiplication and division. Measures and Data: Time, bar charts, pictograms.

Computing

Understanding technology: recognise the difference between the Internet and the World Wide Web. E-safety. Communication through podcasting: Search for 'Steeple Morden Primary News' in your podcasting app.

Saxon Secrets Year 4 – Autumn 2022

PE (Physical Education)

Tag Rugby, Football, Hockey and Gym.

Language (Chinese Mandarin)

Tones, pin yin, character formation, greetings & culture.

History

Britain's settlement by Anglo Saxons and Scots. How do we know about their art and culture? What were their settlements kingdoms, place names and village life like?

PSHE (Personal, Social & Health Education)

Myself & My Relationships Family and Friends: What is a healthy friendship? Citizenship Rights, Rules & Responsibilities: What does it mean to be treated and to treat others with respect? Managing Change.

Geography

Trading Today: How do resources get to where they need to be. Identify where countries are within Europe; including Russia.

Art & Design

Anglo Saxon Figures: Create sketch books to record observations and use them to review and revisit ideas. Increase accuracy of sketching by developing techniques to observe and measure proportion.

RE (Religious Education)

What is it like to follow God? Focusing on stories from the Old Testament, looking at characters from Noah to the Prophets. How does God show people how he intends them to live? Nativity Story.

Design Technology

Project Based Learning: Design make and evaluate a project, where children apply understanding of computing to program, monitor and control their project using a Raspberry Pi computer.

Visits & Special Events

Harvest Festival and Christmas Service.

Visit TBC.

Music

Learning about the language of music through playing the glockenspiel making links to our work on sound in Science. We will also sing, play, improvise and compose.

Further Information

Please refer to the weekly 'Star,' the 'Year Ahead' booklet and the class page on our school website for more information.
