Admissions

We are a Local Authority controlled school and we follow the County admissions criteria as outlined below. Our admissions process is managed by the LA and therefore all applications must be directed to the School's Admissions Team in the first instance, 01223 743800.

Our catchment area comprises Abington Pigotts, Litlington, Odsey and Steeple Morden.

Schools are only able to admit up to their physical capacity and each year group has an admission limit to ensure the school is not overcrowded. In our case the standard intake number is thirty for each year group. Sometimes there are more requests than the number of places available. In this event places are allocated in priority order, as stated in the County admissions criteria briefly outlined below:

Over-Subscription Criteria for admission to Cambridgeshire Community and Voluntary Controlled Primary and Infant Schools in 2021/22

Children who have an Education Health and Care Plan (EHCP) that names the school will be admitted. NB. Those children with an EHCP that does not name the school will be referred to the Statutory Assessment Team (SAT) to determine an appropriate place.

1. Children in Care, also known as Looked After Children (LAC)¹, and children who were previously looked after but ceased to be so by reason of adoption, a residence order (now known as a child arrangement order) or special guardianship order.
2. Children who appear to have been in state care outside of England and ceases to be in state care as a result of being adopted
3. Children living in the catchment area with a sibling at the school at the time of admission.
4. Children living in the catchment area.
5. Children living outside the catchment area who have a sibling at the school at the time of admission.
6. Children of members of staff, provided that they have been employed for a minimum of two years and/or are recruited to fill a vacant post for which there is a demonstrable skills shortage.
7. Children who live outside the catchment area, but nearest the school as measured by a straight line.
