

2022-2023	Autumn	Spring	Summer
Curriculum Theme	I wonder why...	I wonder how...	I wonder where...
Overview	<p>Celebrating each child's individuality and comparing their characteristics and interests to their peers. Thinking and labelling our different emotions and coping mechanisms. Learning about the seasons of Autumn and Winter as well as being part of a Harvest Festival. We will look at woodland creatures and find out about their habitats. Exploring Diwali and how it is celebrated. Learning about Bonfire Night and thinking about Remembrance day and why it is important. Thinking about Christmas and how different families and cultures may celebrate.</p>	<p>Reflecting on our growth so far and thinking about how we would like to improve. Exploring Chinese New Year and starting to learn some Mandarin. Learn about the season of Spring, looking for changes in the local environment. We will step back in time to the land of the dinosaurs and find out about their eating and living habits. Thinking about people who are special to us and who our heroes are. We will look at the festival of Ramadan and how it is celebrated. Learning about our bodies as well as learning the Easter story and traditions.</p>	<p>We will learn about the season of Summer and think about how to keep safe, especially in relation to water. Explore reusing and recycling in order to keep the planet Earth clean and safe as well as looking at the creatures we could find in the ocean. These will be real and fantasy creatures. We will learn about St George's Day and about British Values. We will think about how we have grown and reflect about our time in Reception as we begin to get ready for Year One.</p>
Special Events	<p>Harvest Festival Christmas performance</p>	<p>Easter Service World Book Day STEM Week</p>	<p>End of year party</p>
