

Message from Mrs How:

We have some very exciting news this week. Our Eco-Committee (known as the Planet Protectors) have been working hard this year to encourage us all to make changes to our energy use and think about those small things we can do to take care of our community and our planet. When added to other activities in school such as year 2s work on 'our precious planet' and year 4s visit to the recycling centre, the children felt we should apply for an Eco-Schools Green Flag award. We have received a letter this week to confirm that we have met the requirements for this award – with merit! Obviously, this is not the end of the Planet Protectors' work and we look forward to seeing what they are planning for next year. Congratulations and thanks to Jessica, Skyla, Jackson, Louis, William and Sophie.

This is our last newsletter of the academic year, coming at the end of yet another busy week. Our rearranged sports day for Rashford and Rosen house went ahead with the children again showing great determination and support for each other. After some complicated calculations to take into account the different number of children in the houses and events across the two days, we have announced the overall winner. Congratulations to Rashford house and well done to all who took part.

Although no newsletter next week, there will be a Parentmail on the final day with any updates and reminders for September.

Absence Reporting

If your child is absent please advise us on 01763 852474 (Option 1) and leave a message on the absence line or email office@steeplemorden.cambs.sch.uk

Please don't message via Parentmail as we don't use this aspect of the system and so this won't be seen.

Notice Board

Illness in School

If your child is absent from school, you must notify school by 9.30am of the reason for absence. If we haven't heard from you, we are obliged to investigate your child's absence.

Condition	Absent for
Chickenpox	Five days from the onset of rash and all the lesions have crusted over
Impetigo	Until lesions are crusted/healed or 48 hours after starting antibiotic treatment
Measles	4 days from onset of rash and once# recovered
Scarlet Fever	Exclude until 24 hours of appropriate antibiotic treatment completed
*Sickness and/or diarrhoea	Until 48 hours after last episode of sickness/diarrhoea
Conjunctivitis	None
**Headlice	None
Mumps	5 days after onset of swelling
Tonsillitis	None

Please see (left) a basic summary showing recommended times for children to be away from school when suffering from childhood diseases. A comprehensive list is available at https://www.publichealth.hscni.net/sites/default/files/Guidance_on_infection_control_in%20schools_poster.pdf

* For sickness and/or diarrhea it is essential to keep your child away from school **until 48 hours after the last episode of diarrhoea/vomiting**. These sorts of bugs can be transmitted very easily, particularly in school settings. We do encourage lots of hand-washing in school and would ask you to follow this at home, as well. Please remember if your child is unwell they will be much more comfortable at home with a parent or carer who can look after them much more closely than we can in school.

**For advice on dealing with headlice please see <https://www.nhs.uk/conditions/head-lice-and-nits/>

Home Time Arrangements

Please ensure that you advise the office by email on office@steeplemorden.cambs.sch.uk by **12 noon** if your child's home time arrangement will be different from usual.

Please also remember that if your child is being collected with another child to let us know; we've had a number of occasions when the office has had to make last-minute phone calls at the end of the day for this reason.

PTA News

Fete round up:

We had a great event on Saturday and loved seeing the community come together. This was a great return of the Summer Fete and we were pleased to see so much community support for the reformed PTA. We are still finalising incomings and outgoings but are pleased to share we raised £1882.31 for the PTA fund.

Fireworks update:

Thank you to everyone who has put their name forward to help with this event. We can confirm it will go ahead. The fireworks are being ordered and there will be a meeting early in September to begin to plan the event. We will keep you up to date with meeting details and how you can help.

Future plans:

Mrs How has been sharing some ideas with us of how we can spend the money that has been raised to enhance the children's experience at school. Through the autumn term we will be investigating these and making plans. We are also hearing ideas from parents of other fundraising and community events so please keep talking to us and supporting us. We hope to grow the PTA and support the school in providing the very best experience and education for our children.

Thank you for all your support this term.

June Lottery Club winners are:

1st:	7	June Hall	£15
2nd:	30	Victoria Hutter	£10
Bonus	55	Deborah Leveroy	£27

July Lottery Club winners are:

1st:	31	David Chau	£15
2nd:	35	Jim Caldwell	£10

July Lottery Club winners are:

1st:	11	Edward Belson	£15
2nd:	6	June Hall	£10

CONGRATULATIONS to the winners! Thanks to Mrs Luebcke who made sure Mrs How did the draw fairly. Thanks again for your support.

Summer Reading

*Our reading display in September will be entitled
"The Magic of Books".*

*During the holidays you are invited to create something to form
part of this display, it may be a picture of your favorite book
character, a book review of a magical book you have read, a few
sentences from a book that you found to be captivating or it
could be a photograph of you reading in a magical place.*

*The choice of work is up to you, but remember it needs to be your
very best as it will be displayed in the library for all to see.*

*Please hand your work to your new class teacher or email to the
school office*

Happy magical reading

News from Starling Class (Reception)

Hello for the final time from the Starling Class Team,

Wow what a year it has been! The children have been on an epic journey of discovery and learning through play this year. We are so proud of all of the children and we wish them well for the next step on their learning adventure into Year One.

This week and next week the children will be thinking about the swashbuckling adventures of pirates. This week the children have learnt about the interesting lives of Captain William Kidd, Captain Blackbeard, Anne Bonny and Black Bart. Next week to celebrate our learning about pirates and completing our first year at school, we would like to invite the children to dress like a pirate for the day on Monday 17th July. Please see the separate ParentMail for further information alongside information about our pirate party on Wednesday 19th July.

This week you would have received your child's end of year report, we hope you enjoy reading about the progress that they have made this year. We have also sent home an updated phoneme, Harder To Read and Spell words gaps card (orange

laminated cards) as well as any words the children were unable to decode (alien = nonsense word, no alien = real word). Please use these to practise over the summer holidays to ensure your child comes back to school in September feeling confident and ready to tackle reading. We have sent PE kits home, these can now stay at home as we will not need them next week.

We're so pleased that the children were able to compete in Sports Day this week and we hope you enjoyed cheering your child and their teammates on. The children worked tremendously hard and we think they did a pretty fab job of completing all four activities!

Thank you so much for your kindness, support and partnership this year we look forward to seeing our 'Starling Darlings' grow into Robins over the summer. Have a fun filled, action packed and restful holidays and we will see you bright-eyed and bushy-tailed in September!

Mrs Meridew, Mrs Brown and the Reception Team

News from Robin Class (Year 1)

We have come to the last Star entry for our lovely Robin Class this year! This week they have learned about the message of George the Sun Safe Superstar and made 'Sun Safe' posters and leaflets for the other classes in school. They really were amazing little ambassadors for staying safe in the sun. They will bring their leaflets and posters home for you to read the message, too!

What a superb year we have had with your children - we are genuinely really sad to be saying goodbye to your delightful bunch of children next week.

We hope that you have the time and energy to enjoy your little people in the coming weeks – we have found them to be a very humorous bunch, who laugh a lot, giggle heartily and love to tell crazy stories! They also are full of wonderful

questions that you might be better placed to help them answer than we are when exploring the world or travelling (even if that is a walk or bike ride.) If you haven't heard these tales and wonderings, do keep an ear out for it as you spend time together.

They have all made so much progress, each in their own way and at their own pace, which is something they and you should be proud of. We hear about lots of stories being read and listened to at home, sometimes all cosy at bedtime. Please do keep up reading and listening to those: they really are so valuable in so many ways.

...and if you need something to keep them busy, we hope to be training them in the delights of cleaning chairs and drawers next week, so do utilise that skill if you need it!

We hope you have a fantastic summer break when

we get there, and that you all stay safe and well. We look forward to seeing the children when they return in September as they journey into Year 2 (and you as parents when you collect them at the end of the day).

Have a blessed holiday,

Mrs Bowmer, Mrs Andrews and the Year One Team

News from Owl Class (Year 2)

Hello again from Owl Class!

This term seems to have gone so quickly and it is hard to believe that the children only have three more days in Owl class before the summer holidays begin!

The children have continued to enjoy reading and sharing more poetry this week. We particularly focussed on reading and writing 'acrostic poems.' An acrostic poem is a poem in which certain letters of each line; spell out a word, name, or phrase when read vertically. The children read several examples of acrostic poems and then went on to collect some ideas that would later help them to write their own poems about the Summer.

In Maths this week, we have been consolidating our understanding of statistics. The children have been collecting data on tally charts; then representing it in the form of a pictogram and a block diagram. Finally, they spent time interpreting the data.

The children have now finished and evaluated their own sea creature fabric collages, which they have really enjoyed sewing. Here are a few more examples of them:

Just as a reminder, please can all children bring a clearly labelled water bottle to school every day next week, have sun cream applied before school and a sunhat to wear.

Next week, we will not need P.E kits to be in school, so they can now stay at home until after the summer holidays. On Monday, we will also collect in reading books and reading record books, so that they can be sorted through in readiness for the Autumn term. Please could you have a look at home over the weekend for any other school reading books and library books, so that these are all returned to school next week. Thank you for your help with this.

Finally, we just want to say that we have really enjoyed teaching your lovely children this year, and we are very grateful for all your support. We hope that you and your children have a very happy and restful summer holiday and we will look forward to seeing you all in September.

With thanks and best wishes from

Mrs Luebcke, Miss Blesic, and the Year 2 Team.

Teaching Arrangements for September

Reception (Starling)	Mrs Meridew & Mrs Brown (Mrs Monks on maternity leave)
Year 1 (Robin)	Mrs Bowmer & Mrs Andrews
Year 2 (Owl)	Miss Blesic & Mrs Andrews (Mrs Luebcke will be focussing on her SEND work)
Year 3 (Peacock)	Mrs Seward
Year 4 (Swift)	Mr Beavan
Year 5 (Heron)	Mrs Daniels & Mrs Morris
Year 6 (Puffin)	Mr Baker

News from Peacock Class (Year 3)

When I sat down to write this week's Star, I really did not know where to start, I am not sure if it was because we have had such a busy week, or because somehow we have reached the last Star of the year. Consequently, I kept putting it off, then one afternoon a young peacock, said 'Mrs Seward I've finished my jobs for now, what would you like me to do?' 'Do you fancy writing part of the Star for me?' I replied optimistically. After reading the following, I now wonder why I did not delegate this job before.

William:

Bewilderwood

On the coach, it was a long ride, but worth it! When we got there we waited for the boggle boat for ages and ages and ages (20 minutes!), but eventually it came and was really fun, then we had our picnic lunch. Then, we set off to the area with the zip lines, the maze and the park. Then, we moved to the slides and another climbing park and then another and another.

We had lots of fun, but then it was time to get back on the coach.

When we got back to school, we played outside and had dinner (then cake!). We also played some games with Mr Beavan before we went to bed.

In the morning, we played some more, then had breakfast, sausage butties and after that, we went home.

We all had a very exciting time

Please see class web page for pictures

Tom:

In the classroom

This week we made booklet about Ashwell's past and present. It was really fun because we drew pictures of Ashwell in the Iron Age, the 1940s and now. We also wrote about what Ashwell's museum was like in the past and now. It was extra fun as we did this work in groups, sharing out each area and helping each other to edit and improve our work.

In maths, we have been gathering and collecting information about

Ashwell nowadays, in the 1940s and in the Iron Age. We then used that data to create a variety of graphs and charts.

We all loved sharing our work and looking back at our past work when you came in on Wednesday. It was really fun having you in our classroom, thank you for coming, we really enjoyed it, and hope you did too!

Please see class web page for pictures of our walk to Ashwell

One of my personal highlights from the week, if only for entertainment value, was the creation of a greeting card with instructions only given in French. The children needed to listen carefully for the key words that they had learnt during the year; colours, numbers, classroom equipment and common greetings. The cards created were those along the string in the classroom that you may have seen when you came in for coffee.

I sincerely hope that you did enjoy coming in to see the children's work, they have had a very hard-working year and all produced work that they should be rightly proud of, I hope you felt proud of them too.

Thank you for those who have ordered one of our recipe books, I trust you have tried some of the recipes already! If you have not requested one yet or would like another copy, it is not too late, please send £1 in with your child.

I feel a proud peapen at the end of this year, a year that has whizzed by creating many happy memories that I hope will remain with the children for a very long time. All of them have worked hard and achieved things of which they should feel rightly proud.

We had a think of how we would describe the year, and this is what we came up with... extraordinary, fun, the quickest year yet, happy, interesting, exciting, the best year ever, amazing, heart-warming, delightful, fantastic, eventful, adventurous, magnificent, we have been as busy as a beehive, changeable, terrific, enlightening, full of great achievements, a journey of twists and turn with hills to climb along different pathways. All of these things describe the journey of learning and discovery that took us through the Year Three curriculum. I sincerely hope it was full of fun for all.

However, we have now reached the time for my little peacock chicks to fledge and become little Swifts! I wish each of them every success as they move into Year Four and beyond, I look forward to hearing of their new adventures and discoveries.

Thank you all for your support during the year, there have been many things that simply would not have been possible without it. So for the last time, it is over and out from me, go fledge my little chicks and achieve all your wishes and dreams. Wishing you an enjoyable restful summer holiday, take care.

From Mrs Seward and the Year Three team

News from Swift Class (Year 4)

As the term draws to a close, we have been busy concluding many projects.

In our maths lessons, the children have been exploring how to interpret different types of graphs and charts, understanding their different components and how they represent data. To reinforce their understanding, the children also had the opportunity to create their own graphs by recording and organizing their own data. We emphasized the importance of precision when drawing the graphs and ensuring that the axes were labelled correctly.

RE lessons have seen us discuss how Sikhs put their beliefs into practice and have been discussing if we're equal in school and have been learning about the concept of the free kitchen at the Gurdwara - where anyone can eat; so long as they are willing to eat with everyone else.

In Design and Technology lessons, the children have been making their own pasta from scratch and transforming it into a classic Italian dish—carbonara. This allowed them to explore the process of pasta-making, understand the importance of following instructions and practise their measuring skills.

Our art lesson on Thursday saw the children complete their landscape projects, mentioned last week, where they carefully considered which aspects they wanted to emphasise through various needlework techniques, including running stitch, back stitch, and random stitch. I was impressed by their attention to detail and the unique perspectives they brought to their projects. We held a classroom exhibition, which saw children displaying their textile work alongside their sketch book so they could gain an appreciation around how everyone developed their work.

Rosen and Rashford House were delighted to dodge the rain and finally partake in their sports day with great camaraderie shown by all.

As we approach the end of the academic year, we would like to express our thanks for your support throughout the year. We hope that everyone enjoys a wonderful summer break!

Mr Beavan and the Year 4 team.

News from Heron Class (Year 5)

We have had an extremely busy and enjoyable last full week in Year 5 with all sorts of exciting and unusual events taking place.

On Monday afternoon, we were lucky enough to be able to watch the dress rehearsal of Year 6's end of year performance. It was an extremely impressive production and we couldn't help but think about how this time next year it will be this class taking to the stage and looking back on their time at Steeple.

On Tuesday morning, Rashford and Rosen had their opportunity to take part in sports day. It was an enjoyable morning and it was great to see so many parents and carers in school supporting all the children and enjoying both their successes and efforts.

We spent some time on Wednesday preparing for Café Italiano the following day. The children selected their favourite pieces of work that they hoped to share with you and we

made some Italian table decorations to help set the scene. It was lovely to see so many of you in the classroom with us on Thursday morning. We enjoyed some Italian snacks with tea and coffee and spent some time looking at the photos from our trip to Grafham Water in the spring term and reminiscing on the time we spent together there.

Thursday was also the day of the hotly contested annual rounders match - Year 5 vs. Year 6. At the time of writing, the results were not available but

we are all hoping for a closely matched and appropriately competitive event.

Finally, a huge thank you to all parents and carers for their support and kind words throughout the year. We have enjoyed getting to know you all and watching your children grow and develop. We wish you all a restful and enjoyable summer break.

Happy holidays!

The Year 5 Team.

News from Puffin Class (Year 6)

Thanks to all children for a great production this week. The afternoon performance on Tuesday and the evening performance on Wednesday were a great success – a great effort by all. Thank you to all those who attended and for all the help at home with the costumes, props and help in learning the script. Check out some of the photos from Monday's dress rehearsal to the school.

Next week the children, as you know, will be at Bassingbourn Village College on Monday and Tuesday for their move up days. They then return for the Year 6 Leavers Assembly on Wednesday, we look forward to seeing you all there.

Have a restful weekend ready for next week.

Mr Baker and Mrs Barbour.

1st Steeple Morden Guides need another adult leader. We meet every Wednesday evening during term time. This is a fantastic volunteering opportunity, giving you the chance to get creative, have fun and be an inspiring role model to girls and young women. Please contact Lis steeplemordenguides@gmail.com or 01767631695 for more information.

Would you or anyone you know like to buy the school a book?

The school council have spoken with children and teachers about books we think we would enjoy reading in school. If anyone would ever feel like buying the school a book, we have set up a wish list.

<https://www.amazon.co.uk/hz/wishlist/ls/MR5YPP3QSVM5>

School Uniform Guide

Clothing

- Trousers, shorts, skirt or pinafore (navy or grey)
- Blouse, shirt or polo shirt (white or royal blue)
- School sweatshirt or cardigan (royal blue)
- Blue and white check dress during the summer months
- *It is a Year 6 privilege to wear black uniform (polo tops, jumpers and trousers/skirts/shorts)*

PE Kit (to be kept in a bag, which is hung in the cloakroom):

- T-shirt (colour of assigned House) separate to that worn during the day
- Shorts (blue or black)

In addition (from Year 1 onwards):

- Tracksuit or jogging bottoms and sweatshirt without hood for the winter months
- Trainers for outdoors

Year 4 pupils will need:

- swim wear (swimming costumes should be one piece and swimming trunks should be above knee length)
- a towel
- swimming hat - all children (available for purchase from the pool)

Shoes

- Children will travel to and from school in black school shoes
- The majority of children will remain in these shoes all day
- Children who wish to change into an older pair of trainers at playtime (much better for kicking a ball on a muddy field) can do so if they wish
- Children will need a change of footwear for PE lessons

Please ensure your child can fasten, without assistance, the shoes they wear for school.

Coat: It is very important that your child comes to school with a coat appropriate for the season. All children go outside to play at break time and lunch time and, as you know, the British weather can change during the school day! Reception Class also have an outside learning area.

Book Bag: Each child should have a book bag to keep reading books clean and safe on the journey to and from school.

Ordering School Uniform: <http://www.totalclothingshop.com>

School uniform can be ordered from the website detailed above. The link to the site can also be found on the school website in the Parents Section on the Welcome Page. Uniform can be ordered from this site and be delivered to your house (for a small postage charge) or to the school for free.

PLEASE ENSURE ALL UNIFORM AND EQUIPMENT IS CLEARLY NAMED

- We actively discourage the wearing of jewellery in school, including earrings, for Health and Safety reasons and in line with County policy.
- Earrings must not be worn for PE and swimming (if they have to be worn for the first six weeks after initial piercing, they must be taped over).
- Children may wear a cheap watch to school.
- Children are responsible for the safety of their own jewellery and watches.
- Please ensure that long hair is always tied back in school.

Trophy and monetary prizes donated by Days of Ashwell

The competition is **free to enter**, once judged all cakes will become part of the WI Tea Tent cake sale. See entry form for more details.

Donations and Volunteers also needed!

The WI Tea Tent is part of the Ashwell Show, with proceeds benefitting various Ashwell organizations. If you can support us with donations of decorated cakes or savouries, please contact Karen Rogers on 01462 743338 or karenr@wsrllp.com. Free entrance to anyone that donates a cake. If you can volunteer on the day, please contact Karen or Sheila Hogan on 07801 542837
